I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing. Under that practice it would be deposited with U.S. Postal Service on that same day with postage thereon fully prepaid at Nashville, Tennessee, in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

☐ by placing a true copy thereof enclosed in a sealed envelope, at a station designated for collection processing of envelopes and packages for overnight delivery by FedEx as part of the ordinary business practices of Miller & Martin PLLC described below, addressed as follows:

I declare under penalty of perjury under the laws of the State of California that the above is true and correct.

Executed on May 20, 2008, at Nashville, Tennessee.
